Electrolux

700 SteamCare 7 kg Washing Machine

EF7742OBI

Steam saves over 40L of water*
With the SteamCare System in our PerfectCare 700 built-in washing machine, you can refresh your clothes with steam instead of washing them, saving over 40L of water* per cycle – and help extend the lifetime of your favourite clothes.

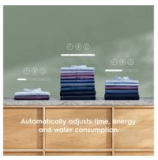

* Internal test with a 1 kg load on the steam programme vs the delicates programme.

Product Benefits & Features

Refresh clothes and neutralise odours* with the FreshScent programme
Enjoy that just-washed feeling with a fraction of the water. By refreshing your clothes with steam, you can neutralise odours* and reduce wrinkles in 25 minutes. For even more freshness, add our steam fragrance to the FreshScent programme.

* External test show neutralisation of cigarette smoke odour in a FreshScent cycle.

Save up to 30%* on time, water and energy with SensiCare
By adapting each programme to the load size, the SensiCare System helps reduce time, water and energy use by up to 30%*, based on a comparison between a smaller load and a full load, while protecting clothes from unnecessary wear.

*Internal test for time, water and energy consumption of a 30°C Cotton cycle optimized with SensiCare for a 1kg load vs. maximum load.

Enjoy a peaceful home with our quiet washing machine.
Our low-noise built-in washing machine is designed to perform quietly behind a cabinet door. This means that you can run a cycle while maintaining a calm and restful environment for all of your other activities.

TimeManager® lets you shorten a cycle when you're short on time
Short on time? No problem! When you need to wash a load in a hurry, TimeManager® has your back. It can shorten a washing programme to better fit your schedule.

The Hygiene programme reduces bacteria and viruses
The Hygiene programme is a high-performance wash cycle that reduces bacteria and viruses from clothes. By keeping your wash temperature above 60°C, you can also reduce allergens.

- Capacity guide: Suitable for a single person.
- Delicates: Gently washes the most delicate of fabrics.
- Steam refresh: Neutralise odours and reduces wrinkles on garments, including delicates, in just 25 minutes.
- PlusSteam: Allows you to finish a wash cycle with a burst of steam.

- Aqua control: An internal system which monitors the water level to detect leakage.
- Silk program: Care for your silk items with a gentle wash and adapted spin cycle.

Noise Rating (dB)	A
Inlet Hose Length (cm)	150
Dimensions (mm) (HxWxD)	819x596x553(max)
Outlet Hose Length (cm)	145
Depth max (mm)	553
Motor Type	Inverter Motor+
Drum Volume (L)	52
Display	Small LED
Cord Length (m)	1.62
Total Electricity Loading (W)	2100
Plug or Hardwired	U.K.
Wheels/Feet	4 adjustable feet
Voltage (V)	230-240
Recommended fuse (A)	13
Frequency (Hz)	50

Woolmark	Woolmark Blue
Drawer Compartments	3
Product Number (PNC)	AEG KR protected range
Series	PerfectCare 700
Connectivity	No
Spin Energy Rating	B
Remaining Moisture (%)	53.9
Energy Consumption per 100 wash cycles (kWh)	52
Noise level, dB(A) (EU 2017/1369)	69
