Electrolux

500 AirDry 60 cm Dishwasher

E52LE100S

Effectively and easily cleans your dishes
The Electrolux 500 series delivers clean dishes and finish drying with fresh air. Enjoy easy operation, generous loading space and height-adjustable upper basket.

Product Benefits & Features

Uses fresh air to finish drying
AirDry uses fresh air to finish drying the dishes. This makes the drying performance up to 3x better compared to a closed-door system. The door automatically opens towards the end of the cycle to let in fresh air.

Easy, time-based program selection

With TimeSet you don't have to figure out what program to use. Just decide how soon you want your dishes to be ready, set the cycle length and press start.

Clean dishes in only 30 minutes
When you need clean dishes in a hurry, use the QuickClean to get clean dishes in 30 minutes.

Seamless integration without cutting the plinth
EasyFit Sliding Hinges enable the front panel to slide out of the way for seamless installation of integrated dishwashers – without cutting the plinth. The hinges accommodate all machine heights and fit any modern kitchen.

When you have a partial load, just rinse and do a full wash later
If it takes you a few days to fill up the dishwasher, use the QuickRinse programme. This will prevent dried food from sticking to dishes and keep odours from building up in the meantime.

- AirDry: The door opens automatically after the drying phase, ensuring dishes are perfectly dry every time.
- Delay start: Up to 3 hours.
- Upper basket: Height adjustable for extra flexibility.
- Inverter motor: Yes
- Hinges: Sliding hinges for flexible installation.

E52LE100S

Product Specification

Series	500
Energy Rating	E
Number of Place Settings	13
Dishwasher Programs	120 Minutes, 90 Minutes, ECO, QuickClean, QuickRinse
Push Button Functions	Buzzer, Delay start 3h, Drying phase, Program selected, Rinse aid, Salt
Drying System	AirDry Technology
Noise Rating (dB)	C
Dimensions (mm) (HxWxD)	818x596x550
Built-in Dimensions (mm) (HxWxD)	820-900x600x550
Water Supply	Cold or hot
Cord Length (m)	1.5
Inlet Hose Length (cm)	150
Outlet Hose Length (cm)	150
Total Electricity Loading (W)	1950
Wheels/Feet	2 adj feet + 1 front adj rear foot (adj 0 to 8cm)
Voltage (V)	220-240
Recommended fuse (A)	10
Frequency (Hz)	50
Number of Programmes	5
Number of Temperatures	3
Door Colour	None

Upper Spray Arm Type	Standard spray arm
Lower Spray Arm Type	Standard
Inlet Pipe Type	Aqua control
Anti-flood Device Type	Floating switch
Product Number (PNC)	All Open
Noise level, dB(A) (EU 2017/1369)	47
Energy Consumption per 100 wash cycles (kWh)	94
Cutlery Basket	Yes
Cutlery Drawer	None
Net weight (kg)	32
Gross weight (kg)	34
Floor beam	No
